

HICKORY HIGHLIGHTS

Feelin' Frosty

It's already that time of year again. Time for the snow to fall, time for decorations to go up, and time to spend

with those closest to us. We've already had our fair share of snow, but that doesn't mean we can't also have our fair share of fun! Whether we're decorating trees together, baking gingerbread houses, or caroling, the holiday season is a time for friendships and fun. We've got quite a few holiday activities planned

December 2nd at 2:00 PM
Holiday Open House & Boutique

so be sure to check out our calendar! We also have some great events planned in December, such as our Holiday Open House and our Guest Chef Dinner.

As always, we are so thankful for everyone who helps make Hickory Glen the amazing community that it is. We couldn't do it without the staff, family members, and most importantly the residents. Happy Holidays from our family to yours!

Stay tuned for everything that the new year will bring!

December 4th from 4-6 PM
Guest Chef Dinner
